FITNESS & YOGA BOXSET

THE ULTIMATE PILATES WORKOUT - BOX SET

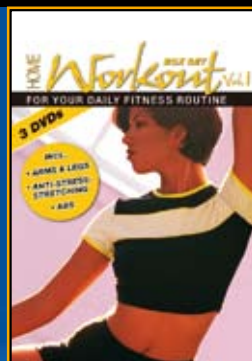

LANGUAGE	ENGLISH/GERMAN	PAL	SCREEN FORMAT
		FORMAT: DVD-5 ca. 170 Min. CODEFREE	4:3

This Pilates Edition was created in cooperation with the renowned „Pilates Couch Germany“ institute. The Pilates method strives to connect elements of standard fitness training, dance, yoga, breathing exercises, and physical therapy, shaping it into a holistic training method which affects both body and soul. Focussed stretching- and fortifying exercises in connection with focussed breathing will lead to a strengthened muscle apparatus of the pelvis-, abdominal-, and back muscles. The result will be a longer, well-shaped muscle tonus and a more flexible body.

One of the most important items towards the end of World War II were the airborne forces of the opponents. Although the Nazis were the masters of the skies at the beginning of the war of conquest, they had to suffer a first and severe defeat due to the air battle of England. In the course of the war the allied forces could claim the sovereignty over the airspace - especially by the cooperation of the American and English air forces - and thus accelerate the end of the war.

WORLD WAR II VOL. 3 - THE FALL OF JAPAN PART I

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 57 Min. CODEFREE	4:3

Joining the war Japan proceeded their war of conquest throughout the Pacific nearly unhampered until 1941. However, the frivolous attack of Pearl Harbour and the immediate entry of the Americans into the war heralded their slow but irresistible downfall. Even initial successes of the Japanese forces like the conquest of Singapore were quickly undone by the achievements of the allies like the Burman victory by Australian troops.

WORLD WAR II VOL. 4 - THE FALL OF JAPAN PART 2

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 58 Min. CODEFREE	4:3

From the battle of Midway in 1942 to the American revenge of Manila in 1944/45 the allied forces won nearly every important naval battle in-between and made slow progress in conquering lands. One of the most important moments was the air strike at Tokyo which almost destroyed the whole city. However, the war finally ended by Japan's capitulation after the launch of the two atomic bombs onto Hiroshima and Nagasaki.

WORLD WAR II VOL. 5 - VICTORY IN NORTH AFRICA

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 64 Min. CODEFREE	4:3

During the first years of war the Nazis were considerably successful in North Africa. However, the tide turned when the British, American and French troops combined their forces after America had joined the war. Therefore, the German troops were driven out of Africa by every other battle they lost from 1942 to the final crucial fight in Tunis.

WORLD WAR II VOL. 6 - FRANCE

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 59 Min. CODEFREE	4:3

The end of the Germans' occupation of France was in reach when the allies reconquered Paris in 1944. However, only due to additional attacks coming from the Atlantic they succeeded in completely defeating the German troops in France. The "Red Ball Express" played a decisive role in freeing the country. By means of the probably greatest and at the same time fastest relief operation of history, America shipped hundreds of tons of badly needed foods and weapons to France.

WORLD WAR II VOL. 7 - ITALY

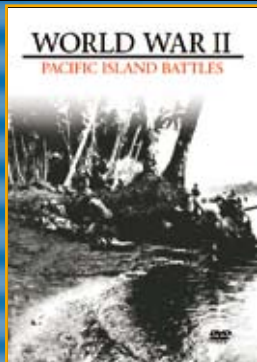

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 56 Min. CODEFREE	4:3

Having subdued the Germans in Sicily in 1943 the allies succeeded in advancing further into the Italian mainland. Vast parts of Italy had already been destroyed. The population suffered from hunger and thirst. In the course of the "Battle of Supply" the reconquest of the seaport Anzio was of great strategic importance. In addition, the allies planned to attack German ports starting from their bases in France and Great Britain (sea routes).

WORLD WAR II VOL. 8 - PACIFIC ISLAND BATTLES

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 81 Min. CODEFREE	4:3

From 1942 to 1945 the allied forces reconquered numerous islands which until then had been occupied by Japan. The battle of the Solomon Islands in 1942 as well as the conquest of Palau in 1944 are only two examples of countless legendary island battles during the Pacific War. In 1945, the capture of the island Iwo Jima being situated only 1,000 km to the south of Tokyo enabled the allies for the first time to attack Japan directly.

WORLD WAR II VOL. 9 - USA

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 76 Min. CODEFREE	4:3

By legendary raids the Germans conquer Denmark, Norway and France. Only due to the attack of Great Britain in 1940 America started giving attention to the European war. Countless American citizens were mobilized and secretly sent to Great Britain, etc. The allies were ready to free Europe out of the force grip of the axis power.

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 50 Min. CODEFREE	4:3

Whether evacuating allied troops in Dunkirk in 1940, fighting in North Africa or reconquering Italy in 1943, some of the most impressing experiences the soldiers had to make in World War II were those of hunger and coldness, fighting to survive with death and destruction being permanently present.

WORLD WAR II VOL. 14 - VICTORY

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 56 Min. CODEFREE	4:3

After America had dropped the atomic bomb onto Hiroshima and Nagasaki, Japan surrendered. The Pacific War against Japan as well as the Atlantic War against Germany was won. More than 30 million people died in World War II. This figure and further statistics reflect in a horribly clinical way how unbelievably cruel the Second World War had been.

BLOOD, SWEAT AND TEARS Live In Halifax

LANGUAGE	MUSIC/ENGLISH	NTSC	SCREEN-FORMAT
DOLBY DIGITAL		FORMAT: DVD-5 ca. 58 Min. CODEFREE	4:3

The original Blood, Sweat & Tears turned out to be one of the greatest groups that the 1960s and 70s ever produced. Their sound, in contrast to R&B outfits that merely used horn sections for embellishment and accompaniment, was a true hybrid of rock and jazz, with a strong element of soul as the bonding agent that held it together. This live in concert - DVD defines a piece of music history.

Ian Anderson, the man with the flute who has given major influence on rock music still today is creative - and band-director. Together with the New Philharmonic Orchestra of Frankfurt and a phantastic band he invents the music of Jethro Tull in a very new way. A real 90 minutes event and a wall of sound - for fans of Jethro Tull and Orchestral music as well. The DVD features unique bonus material like an interview with Ian Anderson or the legendary "Mr tour-agency" Fritz Rau.

BLACKFOOT LIVE - TRAIN- TRAIN - SOUTHERN ROCK'S BEST

LANGUAGE	MUSIC	NTSC	SCREEN- FORMAT
		FORMAT: DVD-5 ca. 78 Min. CODEFREE	4:3

The legendary Southern Rock band taped their big hits live on DVD again! Blackfoot were contemporaries of Lynyrd Skynyrd, and tried for years to make it as a Southern rock band, although they finally succeeded as a hard rock outfit, in the manner of AC/DC and the Scorpions. They racked up a hit album (Strikes) and a pair of really successful singles ("Train, Train", "Highway Song") in the late 1970s and early 1980s. 2003 the band reunited and in 2007 they recorded their big hits live on DVD & CD again!

LOUIS ARMSTRONG THE LOUIS ARMSTRONG SHOW

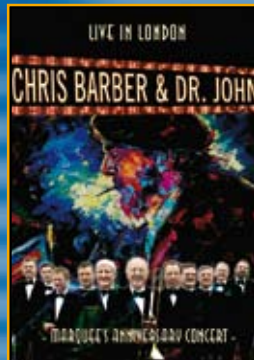

LANGUAGE	MUSIC/ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 35 Min. CODEFREE	4:3

Louis Armstrong was the first important soloist to emerge in jazz, and he became the most influential musician in the music's history. As a trumpet virtuoso, his playing, beginning with the 1920s studio recordings charted a future for jazz in highly imaginative, emotionally charged improvisation. For this, he is revered by jazz fans. But Armstrong also became an enduring figure in popular music, due to his distinctively phrased bass singing and engaging personality. This tv-show is extraordinary!!

ASIAN LONGSTAFF FIGHTING

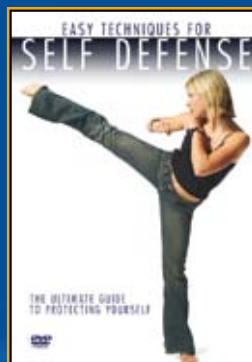

LANGUAGE	ENGL./GERMAN	NTSC	SCREEN- FORMAT
		FORMAT: DVD-5 ca. 44 Min. CODEFREE	4:3

Martial knowledge was kept alive in Asia, and it is usually presented in an Asian cultural context. This can present obstacles to the Western learner. Part of the core philosophy is "Respect the roots of the art, and present it in a way that fits the learning style of each individual". This keeps the art alive and speeds up learning tremendously. Why do we focus on weapons training, even for beginners? One must understand how a weapon is used to defeat the weapon. This is the way the majority of martial arts were taught pre 20th century.

NO HUMAN RIGHTS

LANGUAGE	ENGLISH/GERMAN/ FRENCH/SPANISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 183 Min. CODEFREE	4:3

History has shown us that torture is inevitable. All over the world cruelty is breeding and feeding off of poverty, and fear. We're unable to fully comprehend it exists because our lives revolve around a routine of guaranteed rights and freedoms. It's not until we see firsthand the killings, the beatings, the blindfolding and the faces behind them that we begin to comprehend the severity of torture.

BIZARRE AND STRANGE THINGS AROUND THE WORLD

LANGUAGE	ENGLISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-5 ca. 79 Min. CODEFREE	4:3

What defines bizarre? Is it speeding down a practically vertical incline on a bike and bailing out to a near fatal capacity? Is it a collection of trinkets so intense it could scare not one, but five wives? Is it participating in a pyrotechnic display of epic proportions? To some, it may be all three, to others might disagree entirely. Perhaps to others, the world bizarre means self mutilation, voluntary electrocution, even cannibalism. What follows is a collection of random situations, events and people all with one common thread. No matter how you define the word, each one can be considered bizarre, if not today terrifying.

CELEBRATION OF CATHOLICISM

LANGUAGE	ENGLISH/SPANISH	NTSC	SCREEN FORMAT
		FORMAT: DVD-9 ca. 150 Min. CODEFREE	4:3

DVD + Bonus CD !!! The majority of Catholics - even the intellectuals - have scant knowledge of the history of their church. The Catholic has flourished from its inception 2000 years ago through vicissitudes of benign and hostile secular governments (ex. Persecution under Nero and support from Constantine) as well as periods of peace and war. Moreover, the Catholic Church has survived internal dissent and schism (ex. The Orthodox division and Protestant Reformation); it has grown from a handful of disciples of Jesus Christ to over one billion members today.
