TITLE: BURNING ALIVE
ARTIST: HELSTAR

"BURNING ALIVE"

Their first official live DVD containing tracks from the Bang Your Head festival in Germany in 2001.

In den frühen 80ern in Houston/Texas gegründet, spielten sich HELSTAR in kleinen Clubs und Hinterhofparties den "hintern" wund. Aber schnell wurde der Musikwelt klar, dass sie mehr zu bieten hatten als manch andere Band ihrer Zeit. 1984 nahm sich COMBAT RECORDS ihrer an und veröffentlichte das Debut-Album BURNING STAR. Danach erschien REMNANTS OF WAR. Den internationale Durchbruch schaffte HELSTAR dann mit ihrem 3. Longplayer A DISTANT THUNDER, 1988.

1. Die DVD zeigt die Kult-Band HELSTAR "OpenAir" beim BANG YOUR HEAD FESTIVAL, 2001. Heavy Metal höchster Vollendung und mit Spassfaktor 1000!!!!
